Drop-off Laundry Service

We will wash, dry, fold and package your laundry to the highest standards. No job is too big for our modern washers. So don't waste your day doing laundry—make the most of it with our Drop-off Laundry Service!

How It Works

Drop off your laundry between 7 am and 10 pm. Simply approach our drive-up door. Our attendant will greet you, get your laundry and send you on your way. You don't even need to leave the comfort of your vehicle. We'll weigh it and begin processing it immediately. Pick your laundry up later—perfectly washed, folded and packaged!

- Your laundry is kept separate from other customer's laundry during the entire wash-dry-fold process.
- Washing requirements for each item are identified prior to washing. We will follow any special instructions you may have.
- All items are separated by color, temperature & degree of agitation. Stains are pre-treated.
- We use first grade stain removers, detergents, fabric softeners & dryer sheets.
- Rush, 24-hour & weekly delivery services are available upon request.
